

CHEMICAL CORPS VISION

COL Stanley H. Lillie
Chief of Chemical

2003

CHEMICAL CORPS

Agenda

- **Commandant's Vision**
- **Recent Events**
- **The Army**
- **The Chemical Corps**
- **Joint Warfight Relevance**

CHEMICAL CORPS

The Chief's Vision

- **An Army superbly equipped, trained and ready to fight and win unhindered by threatened or actual CBRN hazards.**
- **A Corps of professional soldiers, tactically and technically unsurpassed, imbued with the warrior ethos.**
- **A capability, both vital and relevant, for the combatant commander, the joint warfight and the defense of the homeland.**

Future War

CHEMICAL CORPS

... Changing the Way We Think and Fight

Chemical Corps

Transformation

- 1. Emerging strategic environment**
 - Proliferation of weapons of mass destruction**
 - The threat to Homeland Security**
 - Reduced response times from crisis to conflict**
- 2. Requirement to conduct full spectrum operations**
- 3. Evolving international reality**
 - Terrorists or Rogue states possessing weapons of mass destruction**
- 4. Evolving conduct of war**
 - Adaptive, creative enemies**
 - Pace and proliferation of new technologies**
 - Aggressive and hostile ideologies intent on harming U.S. interests**

CHEMICAL CORPS

Army Values & Warrior

Army Values

Loyalty

Duty

Respect

Selfless-Service

Honor

Integrity

Personal Courage

Ethos Warrior Ethos

- The Spirit of the American Soldier

- ✓ Transcends
Branch/MOS/Function

- Tenets:

- ✓ **Mission first... with Army Values**

- ✓ **Refuse to accept defeat... never quit**

- ✓ **Never leave an American behind**

- ✓ **Every soldier is a warrior**

- “Objective (Future) force soldiers will possess a Warrior Ethos...”

- ✓ Self Development - Life Long Learning

- ✓ Institutional/Operational - Dominates any operational environment

CHEMICAL CORPS

**. . . A Corps of Professional Soldiers, Tactically and Technically
Unsurpassed, imbued with the Warrior Ethos**

. . . A Capability, both Vital and Relevant, for the
Combatant Commander and the Joint

Chemical Corps Capabilities

**. . . A Capability, both Vital and Relevant, for the Combat
Commander and the Joint Warfight**

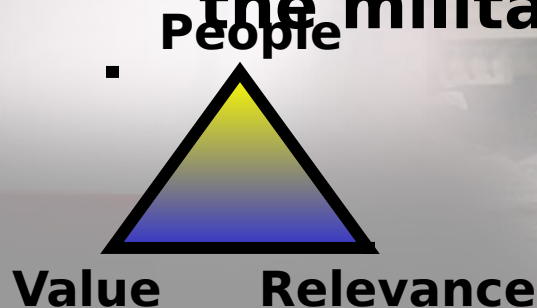

Mr. Merlin L. Erickson

CHEMICAL CORPS

The Chief's Philosophy

- **Taking care of People:** Soldiers, civilians, and their families are the foundation of the Chemical Corps.
- **Value to the Army:** Providing CBRN defense capabilities to the Army in order to fight and win our Nation's wars.
- **Relevance to the Joint Fight:** More than reactionary - an ability to provide a strategically responsive Corps that is fully capable across the full spectrum of the military operations.
